Recommended Use: Take 4 softgels daily. Preferably with food.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Each serving provides 3,000 mg of bioavailable CLA. Adding CLA as a supplement to a healthy weight management program may increase lean muscle mass, which in turn helps burn more calories and reduce body fat. CLA also supports cholesterol levels already within the normal range, and may help support immune function.*

Do not exceed recommended dose.

Do not use if inner seal is missing or damaged.
