Ionic Minerals is a blend of ionic trace minerals derived from Mother Earth. Minerals play a foundational role in our bodies, supporting a myriad of biological processes. Increasingly, soil depletion and inadequate diet may lead some to be lacking in their daily intake of minerals needed for the body to carry out its normal functions. **Ionic Minerals** offers peace of mind in a simple, easy-to-drink solution.*

Warning: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Keep lid tightly closed and refrigerate after opening. Shake well before using.

Do not use if inner seal is missing or damaged.
