†Daily Value not established.

Other Ingredients: Purified water, sodium benzoate.

The body's processes result in waste products that need to be removed from the body. Cleansing and detoxification of the body help promote good health and general well-being. Herbs and nutritional supplements can be used to help support the body systems. It has a pleasing raspberry flavor and is easier for some to swallow than tablets, capsules, and thick fiber drinks.*

Notice: This product contains senna. Read and follow directions carefully. **Do not use if you have or develop diarrhea, loose stools, or abdominal pain because senna may worsen these conditions and be harmful to your health.** Consult your physician if you have frequent diarrhea, or if you are pregnant, nursing, taking medication, or have a medical condition.

Do not exceed recommended dose. Not for long-term use.

Do not use if inner seal is missing or damaged.
