Pau D'Arco

Pau D'Arco bark, also known as taheebo, is traditionally used for detoxification as well as support for the immune and circulatory systems.*

We source the world's purest ingredients, no matter where they are grown, to ensure the active nutrients are delivered just as nature intended.

RECOMMENDED USE:

Add 1 tablespoon (7 grams) to 8-12 ounces of boiling water and remove from heat. Steep for 20 minutes and strain before enjoying.

This bag has been sealed for your protection. Do not use if the seal is open or is damaged. The weight stated on this bag is correct; product settles during shipping. Nature's Sunshine uses natural source materials that are subject to color variation.

We are committed to you and our planet.
