ReGenerate™
IGF-I PRECURSOR

120 Capsules

BioRhythm
ADVANCED DIETARY SUPPLEMENTS

Directions: As a dietary supplement, take one serving 15 – 45 minutes before bed on an empty stomach. ReGenerate™ is specifically designed to work best while sleeping.

ReGenerate is a highly advanced formula designed for anyone looking to increase lean muscle, decrease bodyfat, improve energy levels and reduce muscle recovery time.

Naturally occurring genes are undoubtedly some of the most influential variables in determining ones body type. Lean muscle mass, decreased body-fat, strength and endurance, immune function as well as muscle recovery have all been scientifically linked to these powerful compounds.

Unfortunately, our natural ability to grow, recover and resist stored body-fat declines shortly after our teenage years. ReGenerate is specifically formulated to enhance the presence and activation of these powerful genetic factors. With the use of synergistic and extra strength all natural ingredients, ReGenerate helps power a youthful surge of vitality and invigoration.†

WARNING: Must be 18 yrs old to use this product. Consult physician before using this or any supplement. Do not use if pregnant or nursing. Do not use if you have any pre-existing medical condition including & not limited to heart, liver, kidney disease, or high blood pressure. KEEP OUT OF REACH OF CHILDREN.
