

Digest. Nourish. Protect.*

Whole Foods Papayazyme features pineapple and papaya fruits, whole-food sources of digestive enzymes. These enzyme complexes are essential for efficient digestion as they break down foods into nutrients the body can use and help with occasional stomach distress.**

This formula also gives you our PROTECTOR SHIELD® Blend, a mix of 17 fruits & veggies with powerful antioxidants. These potent plant compounds from broccoli, spinach and acai provide health-protective benefits. PROTECTOR SHIELD® also supports healthy brain development and cell communication in growing children with choline, inositol and 10 amino acids.*

Recommended Use: Chew 1 tablet twice daily before meals as a dietary supplement. Chew carefully and thoroughly before swallowing.

Warning: KEEP OUT OF REACH OF CHILDREN. This bottle was sealed for your protection. Do not use if inner seal is missing or damaged.

Storage: Keep in a cool, dry place, out of reach of children.
