EXPECT MORE FROM YOUR PROTEIN

AIVIA™ presents a breakthrough in whey protein supplementation. This clean source of essential amino acids has been amplified with 100% natural herbal blends that have been clinically studied and proven to help you with:

- **Energy & Endurance**
- **Body Strength & Lean Muscle Mass**
- **Recovery**

Your muscle cells contain sensors called mTOR and AMPK. When triggered, mTOR activates muscle protein synthesis to build lean muscle. AMPK activates autophagy, allowing your cells to recycle and reactivate ATP energy. AIVIA™ triggers these sensors in the best way—with the natural power of potent, dynamic herbs.

DIRECTIONS: MIX TWO SCOOPS (41G) OF POWDER INTO 9 OZ. OF WATER OR BEVERAGE OF CHOICE.
