

Trancor™ is formulated to support a sense of tranquility in those who may feel worried or nervous by beneficially modulating the balance between the calming influence of GABA and the excitatory effects of glutamate. Designed to act centrally, within the brain, this advanced formula features NAC and taurine—which research suggests may be able to cross the blood-brain barrier—along with EGCG from green tea, vitamin B₆, and magnesium for targeted neurological support.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take four capsules daily or as directed by your healthcare practitioner.

WARNING: Do not use if pregnant or nursing.

CAUTION: If you have congestive heart failure, kidney disease, or are taking medication—including anticoagulants—consult your healthcare practitioner before use. Maintain adequate fluid intake while taking this product. Keep out of the reach of children.

STORAGE: Store in a cool, dry place.

Formulated to Exclude: Wheat, gluten, corn, soy, dairy products, nuts, tree nuts, fish, crustacean shellfish, colors, artificial flavors, and preservatives.
