CAUTION: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA does not endorse this claim because the evidence is limited and not conclusive.

Keep out of the reach of children.

Store at room temperature, tightly closed. Avoid excessive heat.

Tablet Color May Vary

Percent Daily Values are based on the new Reference Daily Intake (RDI) published by the FDA in May 2016.
