Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA does not endorse this claim because this evidence is limited and not conclusive.

**CAUTION:** Pregnant or nursing women, individuals taking medication(s) or persons who have a health condition should consult their physician before using this product.  
Keep out of the reach of children.  
Store at 15° - 30°C (59° - 86°F).  
Vitamin C Tablets USP  
Tablet color may vary.
