

TeraCran One is a standardized, high-potency cranberry supplement formulated to support and maintain urinary tract health.** Each TeraCran One capsule provides 36 mg of proanthocyanidins (PACs),† the amount shown to be beneficial in research studies.

TeraCran One contains CystiCran®, a whole cranberry extract providing a balanced spectrum of PACs and key cranberry phytochemicals. TeraCran One is the only cranberry supplement that has been tested and certified by NSF® International to contain the high level of PACs needed to maintain normal urinary tract health.**

The formulation of TeraCran One is overseen by the Theralogix Medical Advisory Board, composed of leading academic physicians and scientists.

**Keep out of children's reach.
Store away from heat and moisture.**

Dye-Free • Gluten-Free • Vegan

CystiCran® is a trademark of Naturex.

† As measured by BL-DMAC methodology, the industry standard for measuring the PAC content of cranberry products

** This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
