America LLC, Bridgewater, NJ 08807

Manufactured and packaged in South Carolina,
USA with USA and imported ingredients.

**Digital Devices
and Blue Light**

We are using digital devices for hours
each day. These devices are exposing
our eyes to high energy blue light.

Reducing exposure to blue light
may promote eye health.

OCUVITE BLUE LIGHT™
helps replenish the macular
pigment layer that helps
filter blue light.*

* These statements have not been evaluated by the Food
and Drug Administration. This product is not intended to
diagnose, treat, cure or prevent any disease.

Specially formulated with high
levels of vital eye nutrients

✓ 25 mg Lutein

✓ 5 mg Zeaxanthin

Lutein & Zeaxanthin are
eye nutrients that are
concentrated in the macula
and help filter blue light.*
