† Daily Value (DV) not established.

INGREDIENTS: Sucrose, Psyllium Husk, Silica.

Notice: Put 1 dose of product into an empty glass. Mix this product with at least 8 ounces (a full glass) of liquid. Stir briskly and drink promptly. Taking without enough liquid may cause choking. Do not take if you have difficulty swallowing.

Allergy alert: This product may cause allergic reaction in people sensitive to inhaled or ingested psyllium. Contact your doctor BEFORE USING this dietary supplement if you have recently experienced a sudden change in bowel habits persisting for 2 weeks, abdominal pain, nausea or vomiting. STOP USING this dietary supplement and ask a doctor if constipation lasts more than 7 days or rectal bleeding occurs. These may be signs of a serious condition.

New Users: Start with 1 serving per day; gradually increase to desired daily intake. You may initially experience changes in bowel habits or minor bloating, as your body adjusts to increased fiber intake.

When used as a daily fiber supplement:

Fiber Supplement Information

Uses & Directions:

For feeling less hungry between meals**

Adults & children 12 yrs. and over: Two rounded teaspoons in 8 or more ounces of liquid with meals, up to 3 times daily.

For lowering cholesterol to promote heart health†

Adults & children 12 yrs. and over: One rounded teaspoon in 8 ounces of liquid, 3 times daily. †Diets low in saturated fat and cholesterol that include 7 grams of soluble fiber per day from psyllium husk, as in this product, may reduce the risk of heart disease by lowering cholesterol. One serving of this product has 2.4 grams of this soluble fiber. Consult a doctor if you are considering use of this product as a part of a cholesterol-lowering program.

For maintaining healthy blood sugar levels as part of your diet**

Adults & children 12 yrs. and over: One rounded teaspoon in 8 ounces of liquid, 3 times daily. Consult your doctor before use if you are currently using medication to control your blood sugar levels.

For promoting and maintaining digestive health**

Adults & children 12 yrs. and over: One rounded teaspoon in 8 ounces of liquid up to 3 times daily for fiber supplementation. For occasional constipation and to help promote and maintain regularity. **For children under 12 yrs:** consult a doctor.

When used as a therapy for regularity:

Drug Facts

Active ingredient (in each teaspoon)

Psyllium husk approximately 3.4 g.....Bulk-forming Laxative

Purpose

Uses ■ for relief of occasional constipation (irregularity) ■ generally produces bowel movement in 12-72 hours

Warnings

Choking: Taking this product without adequate fluid may cause it to swell and block your throat or esophagus and may cause choking. Do not take this product if you have difficulty in swallowing. If you experience chest pain, vomiting, or difficulty in swallowing or breathing after taking this product, seek immediate medical attention.

Allergy alert: This product may cause allergic reaction in people sensitive to inhaled or ingested psyllium.

Ask a doctor before use if you have ■ a sudden change in bowel habits persisting for 2 weeks

■ abdominal pain, nausea or vomiting

Stop use and ask a doctor if ■ constipation lasts more than 7 days ■ rectal bleeding occurs

These may be signs of a serious condition.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away at 1-800-222-1222.

Directions Put one dose into an empty glass. Mix this product (child or adult dose) with at least 8 ounces (a full glass) of water or other fluid. Taking this product without enough liquid may cause choking. See choking warning. Stir briskly and drink promptly. If mixture thickens, add more liquid and stir.

Adults & children 12 years & older: 1 rounded teaspoon in 8 ounces of liquid at the first sign of irregularity. Can be taken up to 3 times daily.

Children 6-11 yrs: 1/2 adult dose in 8 ounces of liquid, up to 3 times daily

Children under 6 yrs: Consult a doctor

Bulk-forming fibers like psyllium husk may affect how well other medicines work. If you are taking a prescription medicine by mouth, take this product at least 2 hours before or 2 hours after the prescribed medicine.

New Users: Start with 1 serving per day; gradually increase to desired daily intake. You may initially experience changes in bowel habits or minor bloating, as your body adjusts to increased fiber intake.

Other information ■ each teaspoon contains: potassium 35 mg; sodium 5 mg ■ store at room temperature. Keep the container tightly closed to protect from humidity ■ contains a 100% natural, therapeutic fiber

Inactive ingredients silica, sucrose
