

SSINJuice Defined:

Strength is fueled by the patented high efficiency Mg²⁺ Creatine Chelate (U.S. Patent# 6,114,379) providing anaerobic strength with no bloating or stomach discomfort.*

Stamina is through the roof with a mega-dose of Beta-Alanine and its essential counterpart L-Histidine (in the proven 12:1 ratio). This combo will keep lactic acid at bay, paving the way for unending endurance.*

Intensity and Focus levels tap into a state of consciousness rarely experienced in a sober state. The synergistic combination of L-Tyrosine, Caffeine and Geranium will electrify the senses and jump-start each and every workout.*

NO² or Nitric Oxide's primary precursor is the well known L-Arginine. What is less known is the HCL version (L-Arginine HCL) is the most widely used type in the medical field and independent case studies, producing the best results. Another lesser known vasodilator and insulin mimicker is Vanadyl Sulfate.*

WARNING: This product is only intended to be consumed by healthy adults 18 years of age or older. Do not use if you are or may become pregnant. Do not use for more than 5 out of 7 consecutive days. Before using this product consult with your physician if you are using any prescription or over the counter medication or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor) or any other medication. Discontinue use and consult your health care professional if you experience any adverse reaction to this product. Do not exceed recommended serving. Do not use if safety seal is broken or missing. This product may contain ingredients banned by certain sports organizations. User assumes all liabilities, consequences or related risks in respect to testing. KEEP OUT OF REACH OF CHILDREN.

Store in a dry cool place to prevent clumping.

BioRhythm
ADVANCED DIETARY SUPPLEMENTS

Net Weight
240 Grams (8.45 oz)

Directions: Mix one (1) scoop with a small amount of water (3–6 oz.). Add more water after mixing to suit your taste if necessary. Start with only 1 scoop and gradually work up to a comfortable dose to determine your personal serving size. Drink only one (1) serving approx. 15–30 minutes prior to training session once tolerance is assessed. For best results, do not take within 30 minutes of a meal or protein shake. *NEVER exceed 2 scoops in a 24 hour period.*

Caution: Due to the concentrated nature of this formula, taking more than one (1) serving may produce excessive effects and is not recommended. This is true especially for beginners and those sensitive to pronounced vasodilation, intensive aggression and CNS stimulation (see Warning for more info).

SUPPLEMENT FACTS

Serving Size: 1 Scoop (4.0 grams/scoop)

Servings Per Container: 60

Amount Per 1 Scoop	%DV
L-Arginine HCL, Mg2+-Creatine Chelate (U.S. Patent# 6,114,379), Beta-Alanine, L-Histidine, Vanadyl Sulfate.....	2320mg **
L-Tyrosine, Caffeine, Geranium [Stem] (1,3-Dimethylamylamine)†.....	908mg **
