

Suggested Usage: Take 1 capsule 3 times daily or as recommended by your healthcare practitioner.

Calcium D-Glucarate is the calcium form of D-Glucaric acid, a substance produced in small amounts by the body, and found abundantly in plant food such as broccoli, cauliflower, brussel sprouts, kale and cabbage. Scientific studies have found that Calcium D-Glucarate supports the body's natural detoxification process, and helps support healthy estrogen and cholesterol levels within the normal range.* BioPerine®, an herbal extract derived from black pepper, has been added to naturally enhance the body's absorption of this product.*

Warnings: For adults only. Do not take if you are pregnant or nursing. Consult physician if taking medication or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product. Store in a cool, dry place after opening. Please recycle.
