Notice: Put 1 dose of product into an empty glass. Mix this product with at least 8 oz. (a full glass) of liquid. Stir briskly and drink promptly. Taking without enough liquid may cause choking. Do not take if you have difficulty swallowing.

Allergy alert: This product may cause allergic reaction in people sensitive to inhaled or ingested psyllium. Contact your doctor BEFORE USING this dietary supplement if you have recently experienced a sudden change in bowel habits persisting for 2 weeks, abdominal pain, nausea or vomiting. STOP USING this dietary supplement and ask a doctor if constipation lasts more than 7 days or rectal bleeding occurs. These may be signs of a serious condition.

New Users: Start with 1 serving per day; gradually increase to desired daily intake. You may initially experience changes in bowel habits or minor bloating, as your body adjusts to increased fiber intake.

When used as a daily fiber supplement.

Fiber Supplement Information

Uses & Directions:

For feeling less hungry between meals**

Adults 12 yrs. and over: Two rounded teaspoons in 8 or more ounces of liquid with meals, up to 3 times daily.

For lowering cholesterol to promote heart health†

Adults 12 yrs. and over: One rounded teaspoon in 8 ounces of liquid, 3 times daily. *Diets low in saturated fat and cholesterol that include 7 grams of soluble fiber per day from psyllium husk, as in this product, may reduce the risk of heart disease by lowering cholesterol. One serving of this product has 2.4 grams of this soluble fiber. Consult a doctor if you are considering use of this product as a part of a cholesterol-lowering program.

For maintaining healthy blood sugar levels as part of your diet**

Adults 12 yrs. and over: One rounded teaspoon in 8 oz. of liquid, 3 times daily. Consult your doctor before use if you are currently using medication to control your blood sugar levels.

For promoting and maintaining digestive health**

Adults 12 yrs. and over: One rounded teaspoon in 8 oz. of liquid up to 3 times daily for fiber supplementation. For occasional constipation and to help promote and maintain regularity. For children under 12, consult a doctor.
