

PHARMANEX® STANDARD: NightTime Formula with Theanine is an exclusive preparation of high-quality and standardized extracts including Valerian, standardized to 0.8% valeric acid, and Passion Flower, standardized to a minimum of 3.5% flavonoids.

RECOMMENDED ADULT USE: NightTime Formula with Theanine promotes a restful night's sleep.* Formulated with such botanical extracts as Valerian and Chamomile, NightTime Formula with Theanine provides support without making you feel tired or run-down in the morning.*

DIRECTIONS FOR USE: Take one (1) to two (2) capsules with eight (8) ounces of liquid 30 minutes before bedtime for the relief of occasional sleeplessness.*

WARNINGS: Keep out of reach of children. If you are pregnant or lactating, or taking a prescription medication, consult a physician prior to use. This product is not recommended for use when driving or operating machinery. This botanical scent is characteristic of natural plant extracts.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Do not use if safety seal is broken or missing.
