

SuperGarlic 6000® is a super concentrated garlic supplement. Each batch is guaranteed by independent assay to supply an unequalled allicin yield of 6000 mcg per tablet—more potent than other leading brands.\* SuperGarlic 6000 tablets have a special enteric coating designed to dissolve in the intestine—not the mouth or stomach—so you get all the benefits of fresh, raw garlic without the garlic breath. Garlic helps maintain healthy levels of triglycerides and other blood lipids, and promotes the health of the cardiovascular and immune systems.
