

SpectraZyme® provides digestive support with a broad spectrum of non-animal derived enzymes including acid stable lipase and three proteases that function in different pH ranges. This comprehensive formula supplies a variety of enzymes that split proteins, peptides, carbohydrates, fats, cellulose, maltose, lactose, and sucrose.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take two tablets with each meal or as directed by your healthcare practitioner.

CAUTION: Do not use if you have a history of or a current peptic or duodenal ulcer. This product may not be suitable for individuals with severe milk, wheat, or soy allergies. Keep out of the reach of children.

Formulated to Exclude: Nuts, tree nuts, fish, crustacean shellfish, colors, artificial sweeteners, and preservatives.
