DESCRIPTION

WesNate DHA is an orally-administered prenatal/postnatal prescription dietary supplement with DHA and should be administered under the supervision of a licensed medical practitioner.

DIRECTIONS FOR USE

One softgel daily, regardless of lactation status, or as prescribed by a licensed medical practitioner.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. **KEEP THIS PRODUCT OUT OF REACH OF CHILDREN.** In case of accidental overdose, call a doctor or poison control center immediately.

CAUTIONS

High levels of folic acid may, especially in older adults, hide signs of Vitamin B-12 deficiency (such as pernicious anemia, a condition that can cause nerve damage).

KEEP THIS OUT OF REACH OF CHILDREN

STORAGE: Store at controlled room temperature 15° to 30°C (59° to 86°F). Protect from light and moisture. Dispense in a light, light-resistant container. Call your licensed medical practitioner about side effects. You may report side effects by calling Westminster Pharmaceuticals LLC, at 1-844-221-7284 or FDA at 1-800-FDA-1088.
