Description: Prenatal Plus Vitamins is a prescription folic acid containing dietary vitamin and mineral supplement for women before, during and after pregnancy.

Directions: Use before, during and after pregnancy under the supervision of a medical professional. One tablet daily or as prescribed.

Caution: Folic acid may partially correct the hematological damage due to Vitamin B-12 deficiency of pernicious anemia while the associated neurological damage progresses.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under six. Keep this product out of the reach of children. In case of accidental overdose, call a Physician or Poison Control Center immediately.

Storage: Store at room temperature, USP. Protect from light and moisture. Dispense in a tight, light-resistant container. Contact with moisture may discolor or erode tablets.
