

Astragalus eeTee™ is truly eeextraordinary™ in many ways!

Easy - *Astragalus eeTee™* dissolves clear in seconds, even at room temperature. Just scoop, stir and serve.

Economical - Less raw materials, less energy consumption, ecological water technology all contribute to a lower cost.

Effective - With FITT™, 95-98% of all of the plant's active ingredients are transferred to the eeTee™ extract.

Ecological - FITT™ uses 33% less energy than traditional extraction methods and produces 1/10th the waste of home brewing.

Premium eeTee Instant Granules

FITT

2.1 oz./60g Makes: **30**  Dietary Supplement

黄芪

Astragalus Root - *Astragalus membranaceus*

Astragalus is said to strengthen the primary energy of the body. It strengthens metabolic, respiratory and eliminative functions. It is also one of the most important double direction immune modulating herbs in the world.*

This product is produced by **FITT™**, Fingerprint Identical Transfer Technology™. This proprietary extraction technology captures the original phyto-chemical profile of a botanical (the plant's fingerprint) and transfers it safely and almost identically into the final extract, preserving the aroma, color and taste of the plant perfectly.

FITT™ is a **raw** extraction, with the entire process temperature controlled **under 104° F**.

Instructions: Add 2 g (approximately 1 teaspoon) of *Astragalus eeTee™* powder to 2-3 oz. of water, hot or room temperature, stir or shake until the powder completely dissolves. For iced tea, use room temperature water to dissolve the powder first then add ice. You may flavor the tea with sweeteners, fruits, or herbal tinctures. You may also adjust the amount of *Astragalus eeTee™* to your liking. 1-4 servings per day.

Highly hydrophilic. Keep the inner bag tightly closed at all times.
