

Chrysanthemum eeTee™ is truly eeextraordinary™ in many ways!

Easy - *Chrysanthemum eeTee™* dissolves clear in seconds, even at room temperature. Just scoop, stir and serve.

Economical - Less raw materials, less energy consumption, ecological water technology all contribute to a lower cost.

Effective - With FITT™, 95-98% of all of the plant's active ingredients are transferred to the eeTee™ extract.

Ecological - FITT™ uses 33% less energy than traditional extraction methods and produces 1/10th the waste™ of home brewing.

Chrysanthemum - *Chrysanthemum indicum*

Chrysanthemum flower, THE flower that calms, cools and clears. Chrysanthemum is used in Asia to clear the mind and is renowned for promoting clear, beautiful skin. It can help maintain healthy vision. Chrysanthemum tea is a perfect summer tea because it helps you stay cool in hot weather.*

This product is produced by **FITT™**, Fingerprint Identical Transfer Technology™. This proprietary extraction technology captures the original phyto-chemical profile of a botanical (the plant's fingerprint) and transfers it safely and almost identically into the final extract, preserving the aroma, color and taste of the plant perfectly.

FITT™ is a **raw** extraction, with the entire process' temperature controlled **under 104° F**.

Instructions: Add 2 g (approximately 1 teaspoon) of *Chrysanthemum eeTee™* powder to 2-3 oz. of water, hot or room temperature, stir or shake until the powder completely dissolves. For iced tea, use room temperature water to dissolve the powder first then add ice. You may flavor the tea with sweeteners, fruits, or herbal tinctures. You may also adjust the amount of *Chrysanthemum eeTee™* to your liking. 1-4 servings per day.

Highly hydrophilic. Keep the inner bag tightly closed at all times.
