Earth Drops
100% Wild Ginseng

www.dragonherbs.com (888) 55-TONIC (86642)

Earth Drops is made from 100% wild ginseng roots from Catskill Mountain USA and Changbai Mountain Manchuria, both coveted sources by Chinese Ginseng connoisseurs. The average age of the Ginseng roots in *Earth Drops* is around 30 years old with some up to 70. A masterful potent extraction, *Earth Drops* contains the second extraction of *Heaven Drops* plus additional wild American ginseng, therefore more *Yin* than *Heaven Drops*. A superb *Shen* tonic.*
