Lion's Mane is a mushroom that has emerged from East Asian Buddhist herbal tradition to become an extremely valued and respected modern brain tonic. This mushroom fruiting body contains nerve growth factor and is believed to support brain plasticity and brain health. Dragon Herbs uses advanced extraction technology to produce this rich, full-spectrum, hydro-ethanolic extract that contains all of Lion's Mane's active constituents in just the right balance. You may consume this delicious tonic every day of your life.*
