

Longan eeTee™ is truly eeextraordinary™ in many ways!

Easy - Longan eeTee™ dissolves clear in seconds, even at room temperature. Just scoop, stir and serve.

Economical - Less raw materials, less energy consumption, ecological water technology all contribute to a lower cost.

Effective - With FITT™, 95-98% of all of the plant's active ingredients are transferred to the eeTee™ extract.

Ecological - FITT™ uses 33% less energy than traditional extraction methods and produces 1/10th the waste of home brewing.

Longan Fruit - *Euphoria Longan*

Longan is a wonderful and delicious tonic fruit used by the Chinese as a blood tonic, to build energy (Qi), calm the mind, support the Spleen, support the Qi of the heart, and to add luster and beauty to the skin. Longan is considered a sex tonic for women. There is a saying in Chinese herbalism that "Women are governed by blood." As a result, women often benefit significantly from consuming Longan. However, Longan is equally beneficial to men.*

This product is produced by **FITT™**, Fingerprint Identical Transfer Technology™. This proprietary extraction technology captures the original phyto-chemical profile of a botanical (the plant's fingerprint) and transfers it safely and almost identically into the final extract, preserving the aroma, color and taste of the plant perfectly.

FITT™ is a **raw** extraction, with the entire process' temperature controlled **under 104° F**.

Instructions: Add 1 teaspoon (2 g) of **Longan eeTee™** powder to 2-3 oz. of water, hot or room temperature, stir or shake until the powder completely dissolves. For iced tea, use room temperature water to dissolve the powder first then add ice. You may flavor the tea with sweeteners, fruits, or herbal tinctures. You may also adjust the amount of **Longan eeTee™** to your liking. 1-4 servings per day.

Highly hydrophilic. Keep the inner bag tightly closed at all times.
