

Lychee Black Tea

Dietary Supplement

Black teas are fully fermented teas. Ideal for people with sensitive stomachs as the fermentation process of tea leaves removes tannins, substances that can cause slight discomfort in a sensitive stomach. This Lychee Black Tea has been imprinted with the sweet flavor and aroma of Lychee, the famous fruit of Southern China.*

Flavor — Pleasant fruit notes, mildly sweet, and earthy bottom flavor. Intoxicating aroma.

Directions: Add the amount of botanicals per a recipe, as desired, or as directed by a health practitioner. The proper way of extracting botanicals depends on parts used. Flowers, fruits and leaves can usually be *steeped* or *decocted* (boiling over fire) while stems, barks and roots typically require *decocting*.

In a *Desktop Botanical Garden™ Glass Tea & Elixir Maker*, add 1 part botanical(s) and 5-8 parts water, steep or decoct for 5-20 minutes. You can boil water directly in the *Elixir Maker*. Repeat this process for 2nd or 3rd extraction until all active constituents have been extracted.

Supplement Facts

Serving Size: 1 g
Servings Per Container: 82

	Amt/Serv
Black Tea	1 g †
† Daily value not established	

Other Ingredients: Natural lychee flavor

Manufactured in a facility that processes tree nuts and peanuts.
