Flavor — Exquisite bright flavor. Floats along the pallet to a sweet finish. Has almost a candy quality to it

Enjoy the scent and flavor of these sweet Osmanthus flowers, while combining them with green or black tea leaves in a cup of hot water. Osmanthus tea helps improve complexion.*

Dietary Supplement

Net Wt. 1.3 oz (37 g)

Osmanthus

Directions: Add the amount of botanicals per a recipe, as desired, or as directed by a health practitioner. The proper way of extracting botanicals depends on parts used. Flowers, fruits and leaves can usually be *steeped* or *decocted* (boiling over fire) while stems, barks and roots typically require *decocting*.

In a *Desktop Botanical Garden™* *Glass Tea & Elixir Maker*, add 1 part botanical(s) and 5-8 parts water, steep or decoct for 5-20 minutes. You can boil water directly in the *Elixir Maker*. Repeat this process for 2nd or 3rd extraction until all active constituents have been extracted.
