Purple Reishi is a special variety of authentic Reishi mushroom that has been treasured in the Far East for over 2000 years as a premier brain and healthy-aging tonic. It is among the elite Shen tonic herbs, promoting mental clarity, superior consciousness and emotional well-being. Taoist masters revered this herb as an herb that supports the growth of wisdom. Purple Reishi is extremely rare in the marketplace. This Purple Reishi grows in a pristine mountain range. It is famously the best tasting of all true Reishi. Experience the Shen!*
