Flavor — Earthy body carries with floral notes that come late, high, and linger

This black tea has added rose petals. Rose is an important and wonderful Shen tonic herb frequently consumed in Oriental cultures. It opens the heart and lifts one's mood. In other words, consistent drinking "beautifies the spirit." Made with organic black tea leaves and rose petals.*

Dragon Herbs

Directions: Add the amount of botanicals per a recipe, as desired, or as directed by a health practitioner. The proper way of extracting botanicals depends on parts used. Flowers, fruits and leaves can usually be *steeped* or *decocted* (boiling over fire) while stems, barks and roots typically require *decocting*.

In a *Desktop Botanical Garden™* *Glass Tea & Elixir Maker*, add 1 part botanical(s) and 5-8 parts water, steep or decoct for 5-20 minutes. You can boil water directly in the *Elixir Maker*. Repeat this process for 2nd or 3rd extraction until all active constituents have been extracted.
