

Schizandra eeTee® is truly eeextraordinary® in many ways!

Easy - Schizandra eeTee® dissolves clear in seconds, even at room temperature. Just scoop, stir and serve.

Economical - Less raw materials, less energy consumption, ecological water technology all contribute to a lower cost.

Effective - With FITT™, 95-98% of all of the plant's active ingredients are transferred to the eeTee® extract.

Ecological - FITT™ uses 33% less energy than traditional extraction methods and produces 1/10th the waste of home brewing.

Premium eeTee Instant Granules

FITT

五味子

Net Wt. 2.1 oz. (60 g) Makes: **30** ☕ Dietary Supplement

Schizandra fruit - *Schizandra chinensis*

Schizandra is called the "quintessence of Chinese Herbs" because it has so many health-promoting functions. It is a rare herb that can benefit all the bodily functions and all five primary organs. It beautifies the skin and helps support a healthy liver. It is an excellent mind tonic by sharpening concentration, improving memory and increasing alertness. It is even a powerful sex tonic.*

This product is produced by **FITT™**, Fingerprint Identical Transfer Technology™. This proprietary extraction technology captures the original phyto-chemical profile of a botanical (the plant's fingerprint) and transfers it safely and almost identically into the final extract, preserving the aroma, color and taste of the plant perfectly. FITT™ is a **raw** extraction, with the entire process' temperature controlled **under 104° F**.

Instructions: Add 2 g (approximately 1 teaspoon) of **Schizandra eeTee®** powder to 2-3 oz. of water, hot or room temperature, stir or shake until the powder completely dissolves. For iced tea, use room temperature water to dissolve the powder first then add ice. You may flavor the tea with sweeteners, fruits, or herbal tinctures. You may also adjust the amount of **Schizandra eeTee®** to your liking. 1-4 servings per day.

Highly hydrophilic. Keep the inner bag tightly closed at all times.
