Shaolin Inner Power eeTee™

Formulated on the principle established by Damo, the founder of Zen: "Move Forward from the Heart." This formulation nourishes all three treasures, tonifies both a Yin and Yang, enhances wisdom, strengthens the bones, nourishes the muscles and promotes inner power and inner peace.*

This product is produced by **FITT™**, Fingerprint Identical Transfer Technology™. This proprietary extraction technology captures the original phyto-chemical profile of a botanical (the plant's fingerprint) and transfers it safely and almost identically into the final extract, preserving the aroma, color and taste of the plant perfectly.

FITT™ is a **raw** extraction, with the entire process temperature controlled **under 104° F**.

Instructions: Add 2 g (approximately 1¼ teaspoon) of **Shaolin Inner Power eeTee™** powder to 2-3 oz. of water, hot or room temperature, stir or shake until the powder completely dissolves. For iced tea, use room temperature water to dissolve the powder first then add ice. You may flavor the tea with sweeteners, fruits, or herbal tinctures. You may also adjust the amount of **Shaolin Inner Power eeTee™** to your liking. 1-4 servings per day.
