

Tibetan Magic eeTee® is truly eeextraordinary™ in many ways!

Easy - Tibetan Magic eeTee® dissolves clear in seconds, even at room temperature. Just scoop, stir and serve.

Economical - Less raw materials, less energy consumption, ecological water technology all contribute to a lower cost.

Effective - With FITT™, 95-98% of all of the plant's active constituents are transferred to the eeTee® extract.

Ecological - FITT™ uses 33% less energy than traditional extraction methods and produces 1/10th the waste of home brewing.

Dietary Supplement

Tibetan Magic eeTee™

Tibetan Magic is a unique, adaptogenic, instant energy drink designed for creative individuals and to support healthy aging. The main ingredient is Rhodiola sacra, a revered herb from Tibet. Perfect for exercise, meditation, yoga and creative work, it enhances oxygen intake ability. This elixir takes functional drinks to a new height.*

Produced by **FITT®**, Fingerprint Identical Transfer Technology®. FITT preserves the phytochemistry, aroma, color and taste of the original plants.

FITT is a super-advanced raw-extraction technology, with the entire process temperature controlled to under 104°F, with a minimal carbon footprint.

Instructions: Add 2 g (approximately 1 teaspoon) of **Tibetan Magic eeTee®** powder to 2-3 oz. of water, hot or room temperature, stir or shake until the powder completely dissolves. For iced tea, use room temperature water to dissolve the powder first then add ice. You may flavor the tea with sweeteners, fruits, or herbal tinctures. You may also adjust the amount of **Tibetan Magic eeTee®** to your liking. 1-4 servings per day.

Highly hydrophilic. Keep the inner bag tightly closed at all times.
