Astragalus is **warm** and enters **Spleen** and **Lungs** channels. A famous **Qi** and **Blood** Tonic. A double-direction adaptogenic. It strengthens **metabolic, respiratory** and **eliminative** functions. A famed **energizer**, especially strengthening to the muscles, legs and arms. Fortifies the **Protective Qi (Wei Qi)** that circulates just under the skin and in the muscle. This surface energy controls the opening and closing of pores and is our first line of defense against the offensive environmental forces such as heat, cold, dampness and wind. Supports the **skin's detox**. Supports the **Upright Qi** which maintains our upright posture and helps our organs defy gravity, especially in the abdominal and pelvic cavities.*
