Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. Contains Xylitol, do not feed to pets.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Vitamin B-12 (Cyanocobalamin) is a water soluble vitamin necessary for the maintenance of a healthy nervous system as well as for energy production from fats and protein. Vitamin B-12 is also essential for the synthesis of DNA during cell division and therefore is especially important for rapidly multiplying cells, such as blood cells. In addition, adequate intake of Vitamin B-12, along with Folic Acid and Vitamin B-6, supports healthy serum homocysteine levels, thereby sustaining a healthy cardiovascular system.*

SUGGESTED USAGE: Shake well before use. As a dietary supplement, in the morning, take a 1/4 teaspoon, hold in mouth for 30 seconds, then swallow. **Refrigerate after opening to maximize freshness.**
