Super Infusion Process (SIP)™

Spring Dragon Longevity Tea™ is more than just a blend of 6 chopped herbs. Five premier tonic herbs have been optimally extracted together, resulting in a thick, concentrated syrup. The syrup is then infused into premium grade Gynostemma leaves. The saturated leaves are carefully dried, locking in the superior range of phytonutrients from all the tonic herbs. The result is a super-potent herbal formulation. This proprietary process ensures that our tonic herbal tea is **5 to 10 times stronger than other herbal teas** that are just blends of chopped herbs. With six premier tonic herbs, this tea yields one of the most broad spectrum health promoting tonic brews in the world.*

1 Bag Brews 3 Cups!

Makes 60

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Directions: One tea bag can yield three cups of brew! Steep the tea bag in about 3 cups of near-boiling water for at least 3 to 5 minutes. If using less water, remove the tea bag when desired strength is reached.

- Serve hot or cold. You may add ice, a few drops of lemon juice and honey to create a cooling, refreshing iced tea during the summer.
- Sweeten the tea with our low-calorie low-glycemic Sweetfruit Drops.
- Drink several cups a day as a healthy beverage.
