Dietary Supplement

Lychee Carnation Blossom Tea is a superior grade "artisan tea." Following an age old tradition, tea artisans bind needles of premium Silver Needle white tea along with carnation flower, forming them into round ball shape. Lychee Carnation Blossom Tea is a guaranteed eye-candy, crowd-pleaser and wow-generator. Watch these aromatic tea balls magically blossom, bringing a sense of nature into your home.

To fully enjoy our premium teas, check out our heat resistant glass tea pots, glass cups and candle tea warmers from our Desktop Botanical Garden Series.

Directions: When placed in near-boiling water, these bulbs open up into magnificent blossoms, revealing both the tea needles and the perfect flowers hidden inside. It takes 4-5 minutes for the tea bulbs to open fully. Watching these tea bulbs bloom is almost a magical experience, as if you were right in front of a spring blossom inside a garden.
