

- Clinically studied
- BCM-95® provides superior bioavailability
- High antioxidant ORAC value > 1,000,000**
- Healthy inflammation response*

A patent-protected method using micronized curcumin, turmeric essential oil, and phospholipids ensures that CuraPro® delivers a curcumin that is up to 10 times better absorbed than standard curcumin, as well as having an 8-12 hour retention time in the body. This high-potency formula provides superior support for a healthy inflammation response, a healthy immune and cardiovascular system, and resistance to free radical activity.*

Recommendations: 1 softgel daily, may increase to 2 or as directed by your healthcare practitioner. This proprietary complex provides enhanced bioavailability and sustained retention time in the body, using patented technology.

If pregnant or nursing, consult a healthcare practitioner before use.

All ingredients established in human studies for safety and effectiveness. Does not interfere with stomach, liver or kidney function.
