

Directions: As a dietary supplement, take one chewable wafer daily or as directed by a healthcare practitioner. **Refrigeration required to ensure potency.**

Bluebonnet's Advanced Probiotics Chewable Acidophilus Wafers are formulated with DDS-1 strain (a highly stable super strain of L-acidophilus) and bifidobacterium bifidum. Each raspberry flavored chewable wafer provides over one billion viable microorganisms that have been extensively researched for supporting the growth of friendly bacteria in the gastrointestinal tract to help support digestive health.*

Free of egg, fish, crustacean shellfish, tree nuts, peanuts, wheat, soybeans and sesame.

Also free of gluten, barley, rice and sodium.

Bluebonnet's KOF-K Certification #K-0000700
