

Bluebonnet's L-Carnitine 500 mg Licaps are formulated with the free-form amino acid L-carnitine to help transport fat to muscle for immediate energy, stamina and endurance. This highly-concentrated L-carnitine formula is micronized and solubilized in a clear, free-flowing liquid to more quickly metabolize fat into energy for optimal performance.♦

Free of milk, egg, fish, crustacean shellfish, tree nuts, peanuts, wheat, soybeans and sesame.

Also free of corn, gluten, barley, rice, sodium and sugar. Bluebonnet's KOF-K Certification #K-0000700

Made in USA from domestic and imported ingredients.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
