& Cognitive Support ♦

Dietary Supplement
60 Vegetable Capsules

Directions: As a dietary supplement, take two capsules once daily, preferably with a meal, or as directed by a healthcare practitioner.

Bluebonnet's Targeted Choice BrainPower® Vegetable Capsules are specially formulated with a unique blend of sustainably harvested or wildcrafted herbal extracts and other neuro-nutrients to help support the brain's proper response to stress and communication between nerve cells. These neuro-protective ingredients have been shown to help boost memory (retention/recall) and mental alertness, improve occasional forgetfulness, promote the ability to concentrate, increase attention span, reduce mental fatigue, and enhance overall cognitive performance. ♦
