

BARCODE

DIRECTIONS: Take one to two capsules one to three times a day, or as directed by your healthcare practitioner.

Lacidofil® features Institut Rosell's *Lactobacillus helveticus* and *Lactobacillus rhamnosus*. Both of these strains have been extensively studied in human clinical trials, possess an excellent proliferation index, and have demonstrated beneficial impacts on human health.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

CAUTIONS: Consult your healthcare practitioner before use, especially if you are severely immunosuppressed. Keep out of reach of children. Avoid if allergic to any ingredient.

STORAGE: Lacidofil is stable at temperatures up to 96 degrees F. It is shipped refrigerated to prevent exposure to temperatures above this level that could cause some loss of activity. In order to maximize shelf life, please store in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, fish, shellfish, nuts, tree nuts, egg, artificial colors, artificial sweeteners, or preservatives.
