

Sylvan's Red Yeast Rice is made according to traditional methods. Its benefits are recommended for adult men and postmenopausal women who are interested in maintaining a healthy lifestyle, and for whom their physicians have determined that dietary supplementation is appropriate as part of a cholesterol management program*.

Directions for Use: Take 2 capsules 3 times per day (morning and evening) with water at mealtimes. Do not take more than 4 capsules in a 24-hour period. Immediately discontinue use if you experience any unexplained muscle pain or tenderness, especially if accompanied by flu-like symptoms. Keep out of the reach of children. As with any dietary supplement, consult a physician if you are taking any prescription medication. **WARNING:** This product contains a chemical known to the State of California to cause birth defects or other reproductive harm. **DO NOT** use Red Yeast Rice if you • are pregnant, can become pregnant, or are breast feeding (infants and developing children need proper amounts of cholesterol for healthy growth and development); • have undergone an organ transplant or major surgery within the past six weeks; • are under 20 years of age; • have active liver disease or history of liver disease; • consume more than 2 drinks of alcohol per day; • are allergic to soy or rice products. It should not be taken in combination with grapefruit products or prescription cholesterol lowering drugs.
