

Free of the following common allergens: milk/casein, eggs, fish, shellfish, tree nuts, peanuts, wheat, gluten, and soybeans. Contains no artificial colors, flavors, or preservatives.

Suggested Use: Adults: 1 capsule daily with food or as directed by a healthcare professional. Not intended for children.

†Albion® Laboratories

Iron Chelate contains iron, an essential mineral, as a fully-reacted amino acid (bisglycinate) chelate produced through a special process by Albion® Laboratories. This compound has been shown to be a well-tolerated, bioavailable form of iron.

Do not use if shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light.

Produced under a strict quality management system in compliance with Good Manufacturing Practices (GMPs) and third-party quality certifications.
