Caution: Do Not Eat Freshness Packet Enclosed.
Store in a cool, dry place. Please Recycle.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

Ribose occurs naturally in all living cells. It is a simple sugar that begins the metabolic process for ATP production. D-Ribose works synergistically with, and enhances the benefits of, creatine supplements.* NOW sells creatine in powder, capsule and tablet form.

SUGGESTED USAGE: As a dietary supplement, take 2 level teaspoons daily, prior to exercise. Serious athletes may want to double the dosage during training. Consider taking this product in combination with NOW® Creatine, CoQ10 and L-Carnitine.
