

Free of the following common allergens: milk/casein, eggs, fish, shellfish, tree nuts, peanuts, wheat, and soybeans. Contains no artificial colors, flavors, or preservatives.

Suggested Use: Dissolve 1 tablet daily in the mouth before swallowing or as directed by a healthcare professional.

Methylcobalamin is an active, well-utilized form of vitamin B₁₂. Tablets are sweetened with mannitol and xylitol and designed to be dissolved in the mouth and swallowed or swallowed whole if desired.

Do not use if shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light.

Produced under a strict quality management system in compliance with Good Manufacturing Practices (GMPs) and third-party quality certifications.
