**\*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

**SUGGESTED USAGE:** As a dietary supplement, take 1 Vcap® daily, preferably with meals. Consider taking this product in combination with NOW® Tru-E BioComplex™, Tru-C BioComplex™ and Natural Resveratrol.

Glutathione is a tripeptide, consisting of the three amino acids, cysteine, glutamic acid, and glycine. Glutathione is found and manufactured in every cell in the body, but is found in highest concentrations in the heart, muscle tissue and the liver. Glutathione is critical for healthy immune system function and necessary for various liver detoxification processes. Glutathione also acts as an antioxidant that acts to prevent oxidative stress in most cells, and help to trap free radicals that can damage DNA and RNA. Milk Thistle Extract and Alpha Lipoic Acid are included to enhance Glutathione's liver supporting properties.

# Glutathione

CELLULAR ANTIOXIDANT\*

500 mg

- Reduced Form
- With Milk Thistle Extract & Alpha Lipoic Acid

60 Vcaps®

A Dietary Supplement  
Vegetarian Formula
