

Caution: DO NOT feed powder directly to infants or children. If the infant or child has a medical condition, taking prescription drugs, or under the age of 6 months, consult your healthcare professional before using this product. Keep out of reach of children.

Free of the following common allergens: milk/casein, eggs, fish, shellfish, tree nuts, peanuts, wheat, gluten, and soybeans. Contains no artificial colors, flavors, or preservatives.

Suggested Use: For children over 12 months: 1 scoop, once or twice daily. For infants 6 to 12 months: 1 scoop daily. Mix product in infant formula, milk, juice, or sprinkled on food such as yogurt, apple sauce or cereal or as recommended by your healthcare professional. For breast-feeding mothers, product can be added to expressed milk, or small amounts at a time can be dispensed by placing on nipple or finger.

Do not use if shrinkwrap is broken or missing. Keep refrigerated.

Produced under a strict quality management system in compliance with Good Manufacturing Practices (GMPs) and third-party quality certifications.
