DIRECTIONS: Take five capsules twice daily on an empty stomach, or as directed by your healthcare practitioner.

Children, pregnant or lactating women, individuals using blood thinners, and individuals with bleeding disorders or liver damage should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

ProteoXyme™ is designed to promote joint comfort and support the body's normal response to inflammation, its ability to maintain tissue integrity, and its healing process. Proteolytic enzymes in ProteoXyme may break down proteins and complexes that can be produced as a result of injury and tissue damage. This activity is believed to aid nutrient and oxygen delivery and may help speed the body's ability to recover and heal. Acid-resistant capsules facilitate systemic delivery of enzymes.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep tightly closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, soy, dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or preservatives.
