DIRECTIONS: Take one capsule twice daily before or during meals, or as directed by your healthcare professional.

Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

Probio Defense™ is a combination of probiotic bacteria that supports the immune and gastrointestinal systems. It is formulated with five billion live organisms per capsule^{††} and provides well-researched strains chosen for their ability to maintain viability throughout the small intestine. The three strains in Probio Defense are registered in the National Collection of Microorganism Cultures at the Institut Pasteur in France.*

Selenium and zinc are present to help balance intestinal flora and maintain the body's natural immune defenses.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

SHIPPING & STORAGE: Probio Defense is shipped refrigerated to preserve the shelf life of the strains. In order to maximize shelf life, keep closed in a cool, dry place. Keep out of the reach of children.

DOES NOT CONTAIN: Wheat, gluten, corn protein, animal products, fish, shellfish, egg, artificial colors, artificial sweeteners, or preservatives.
